From The Secy to the Admlty & Resd F. 131/42 [illegible] d 16th Feby 43 requesting to Notify the area occupied by the Wsten Wireless Sub Centre R A F Blon as a Protected area in order to prevent unauthorised persons entering the area.

The Secy requests that a Notification may be issued declaring the area occupied by the Wsten Wireless Sub Centre R A F Blon as a Protected Area under Rule 8 of the Defence (General) Regs.

In this connection, Home reference is invited to the Secy letter and especially the last sentence that there is no objection to Notification giving no details of the boundaries etc are given. In the case of Yelahanka and Kolar Aerodromes only an order was issued and the authorities to whom permits were also specified. The Secy letter does not make any mention as to the authorities that may be empowered to issue passes. Advice from others whether an Order or Notification may issue and the Secy may be asked to mention the authorities.

An order declaring the area as a Protected area will do. The order may be issued & the authorities to issue passes ascertained from the Residency
